

FPE H-FRAME

Upgrade your circuit breaker with a modern digital trip unit, complete with LSIG protection, communication capabilities and many more features. We offer over 250 Federal Pacific Electric (FPE) H-Frame kits to fit your exact needs. Curb the cost of an expensive replacement with a cost-effective retrofit kit offered by Utility Relay Company.

- Kits with Manual & Auto-Reset Actuators
- New CTs included for every Kit
- USD full replacement kits
- Replaces electro-mechanical series overload/dashpot trip devices as well as SS, USD, and USR trip units

Pre-Engineered Kits

Our AC-PRO® and AC-PRO-II® retrofit kits are pre-engineered with functionality and ease of installation as the priorities.

Certified Kits

UL, CUL, CSA Certified Retrofit Kits for AC-PRO® and AC-PRO-II®. Each trip unit is factory calibrated, burned-in at elevated temperature, and final tested with a trip unit test report included.

Kits Are Complete

Our retrofit kits are complete and contain a detailed installation manual along with all of the required components including brackets, hardware and wiring harness.

Contact URC for the exact kit to fit your needs.
